Park updates

The park is always having ongoing work done to it to raise its standards. We have had work such as line marking for accurate parking spaces completed in all of our car parks, street lighting has increased around the park and landscaping is continually improving.

Our indoor swimming pool is now complete and is open 12 months of the year for when you fancy warming up after a brisk walk on the beach in the Winter months! We have plans to continue the expansion to this with a high class spa facility offering beauty and relaxation treatments, a sauna and

jacuzzi along with a state of the art gym. We are hoping this to be open for our residents toward the end of 2018.

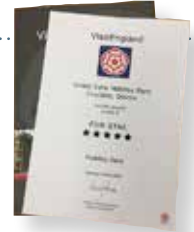

ODE & CO are fully operational at Coast View, offering amazing artisan pizzas, pasta and salads. Menu changes are always happening throughout the season so keep an eye on our social media and website pages for updates!

David Bellamy Award

Coast View works alongside the David Bellamy Conservation Awards to help keep the environment and wildlife protected within and around our park. We are so proud to announce that Coast View have achieved a Bronze Award for the park's efforts! We will now be working toward a Silver Award with our dedication to this wonderful scheme.

Visit England 5 Star Rating

As a prestigious park, we are always striving to raise our standards with everything that we do. Thanks to the hard work of our team we are so proud to announce that we have been awarded a 5 Star Rating from Visit England. Well done to every team member and thank you for everyone's support! The only way is up!
